

## PROGRAM OVERVIEW

The French program is designed for students wishing to improve their linguistic skills as well as their knowledge of Francophone literature and culture. The French program offers courses in advanced language, linguistics, literature, civilization, and culture, all taught exclusively in French. A French major may be part of the Secondary Foreign Language Teacher Licensure program.

## ACADEMIC ADVISING

The College of Liberal Arts and Sciences (CLAS) supports students to graduation using a dual-advising system. CLAS students have two academic advisors with whom they should meet regularly to discuss academic and degree progress: a CLAS Academic Advisor and a major/faculty advisor.

## PROGRAM REQUIREMENTS & POLICIES

**Students are responsible for meeting with the major/faculty advisor in the department to confirm major requirements.** In addition to completing all CU Denver Core and CLAS requirements, students completing the French B.A. Degree are required to complete the following minimum program requirements:

1. The minimum grade acceptable in a French course applied to a French major is C-.
2. The grade point average in all courses applied to a French major at CU Denver must be 2.5.
3. No courses taken on a pass/fail basis may be credited toward a French major.
4. All courses counting toward the French major must be taught in French (FREN 3200 does not count toward the major).
5. All students majoring in French must complete 30 semester hours of upper-division courses taught in French (3000-level or higher). A minimum of 18 of those semester hours must be taken from the faculty in French at CU Denver.
6. Courses taken at other institutions while a student is enrolled at CU Denver may be applied to the major only with departmental approval before enrollment in those courses.
7. Students with advanced placement credits from high school must see a French advisor about course equivalencies.
8. Upon declaring a major in French, each student will be assigned to a faculty advisor with whom the student should consult at least once per semester thereafter. It is especially important that students have their transcripts reviewed by their advisor before enrolling in their final 30 credit hours at CU Denver. Failure to do so may result in delay of graduation.
9. During their final semester in the language, French major students participate in an oral proficiency interview and take a written outcomes assessment exam to measure their level of proficiency and mastery of key concepts.

## SAMPLE ACADEMIC PLAN OF STUDY

The following plan is a *sample* pathway to completing degree requirements for this major. Students should tailor this plan based on previously completed college coursework (e.g., AP, IB, CLEP, dual/concurrent enrollment, and transfer credit), course availability, and individual preferences related to course load, schedules, or add-on programs such as minors or double-majors. Because students may enter university with varying levels of competency in foreign languages, it is of utmost importance to meet with the French faculty advisor as soon as possible. Regardless of level of French proficiency—no exposure or intermediate/advanced language ability—students benefit greatly from starting their French major or minor in their first semester at CU Denver. Beginning French courses are offered in both fall and spring terms. Students may start their language sequence in any term but summer. Some upper division courses are offered every other year. Please consult with the French Department for academic planning.
