Entering Biology Learning Communities for Pre-Health Students Only

Since you are preparing to apply to a health-related program after you complete your undergraduate degree at CU Denver, the Entering Biology Learning Communities provide you with an excellent opportunity to begin your degree program while connecting with your fellow first-year students. Follow these steps to enroll in a Learning Community that includes a linked class, lab, and free University Success course:

**Step 1: Select the Entering Biology Learning Community (LC) you want to join**
