

Chemistry Scholarship

The Robert Damrauer Scholarship in Chemistry was established to honor Dr. Robert “Bob” Damrauer’s contributions to the department and university and his career as a champion for both students and chemistry education over the last 40 years. This scholarship recognizes and supports current or returning undergraduates students majoring in chemistry. Preference will be given to students who are at risk of leaving the major and/or are bound for a Ph.D. program in chemistry. Scholarship award amount :

Up to \$2000

Applications
accepted:

OCT 15 -
NOV 15
