# Global & Intercultural Comm Pathway

## Overview

This pathway prepares learners to accept meaningful roles as global and international communicators. Learn the knowledge and skills needed to communicate ethically and effectively across cultures and nation states.

## Other requirements

Grades of C- or better are needed for all courses within a major.

## Careers

International communications officer

Head of global employee communications

Global social media specialist

Director of global media relations

Global public relations and change manager

International communications specialist

Director of global communications

International programs coordinator

Director of international programs

Global initiatives manager

## Pathway Classes

4270 Intercultural Comm

4430 US-China Comm

4601 Food as Comm

4720 Dynamics of Global  
Communication

Plus any two COMM electives of your  
choosing;

We recommend COMM 2051, 4051,  
4665, and/or 3660 as strong choices for  
this pWthway
