CU Succeed Parent/Guardian Financial Responsibility Form

I certify that I am aware that my student has enrolled in CU Succeed courses at her/his high school for which s/he is eligible to receive credit from CU Denver. I understand that my student’s grades will be recorded on an official CU Denver transcript, and that these grades will become a part of my student’s permanent academic record at the University of Colorado. I am aware that, unless my student’s school/district has an agreement with CU Denver to pay the tuition of these courses, I am financially responsible to CU Denver for payment of said tuition. This is not a permission slip; if your student registered for CU Succeed credit online, they will remain enrolled in the course, regardless of receipt of this form. Instructions on how to drop a class can be found on our website.

Once enrolled in CU Succeed, though you are taking a course at your high school, you are considered a CU Denver student, and you are expected to follow the guidelines that an on-campus CU Denver students must follow.

CU Succeed students are automatically given a CU Denver student email account, to which all official CU Denver communications are sent. Check this account frequently. Alternatively, you can forward your CU Denver email to an account you check regularly. However, your personal account may not be secure, and some sensitive information may be forwarded from your CU Denver account if you choose this option.

CU Succeed students take CU Denver courses in their high schools, taught by CU Denver-approved teachers, at a reduced tuition rate. Students receive college credit with a letter grade on a CU Denver transcript!

Transfer of Credits: CU Succeed courses earn college credits on an official CU Denver transcript. These credits apply to degree programs at CU Denver, and may be transferred to other colleges and universities.

Order a transcript on our website: ucdenver.edu/transcripts (You will need your student ID! Make sure you write it down, or save it somewhere!)

CU Denver cannot guarantee that all courses will transfer to all institutions, nor will it refund tuition for courses that do not transfer.

Affordability: Tuition for CU Succeed courses is $77 per credit hour, a fraction of the cost of on-campus courses.

HOW TO REGISTER

1. Go to the CU Succeed Website: clas.ucdenver.edu/cusucceed
2. Click on the Register Here tab to find the registration link and fill out the form.

Filling out the form is the only step you must take to register! It’s that simple! Once you fill out the form, you will be registered for class.

CU Succeed will email you with your 9-digit CU Denver student ID number. You will need this number to order transcripts, and to log into your online account, should you choose to do so.

TIPS: Make sure that your email address is correct on your form, otherwise you won’t receive any communication from CU Succeed and you will not know if you’ve been registered for your requested classes.

Dropping a class: If you have filled out the registration form and you wish to DROP any course you included on the form, you must drop the course using our Add a Course | Drop a Course form (located on our website.) If you do not drop a course by the drop deadline, the course will remain on your permanent college record, and you will be responsible for any fees associated with the course.
