Enrollment in CU Succeed courses for CU Denver credit is **optional**. Students who wish to enroll in CU Succeed courses and receive CU Denver credit **must meet the enrollment and payment deadlines**.

Once enrolled in CU Succeed, though you are taking a course at your high school, you are considered a **CU Denver student**, and you are expected to follow the guidelines that an on-campus CU Denver student must follow.

CU Succeed students are automatically given a CU Denver student email account, to which all official CU Denver communications are sent. Check this account frequently.

Alternatively, you can forward your CU Denver email to an account you check regularly. However, your personal account may not be secure, and some sensitive information may be forwarded from your CU Denver account if you choose this option.

Instructions for forwarding messages to your personal email are provided on our website.

**TIPS:**
- Make sure that your email address is correct on your form, otherwise, you won't receive any communication from CU Succeed and you will not know if you've been registered for your requested classes.

**Dropping a Class:**
If you have filled out the registration form and you wish to DROP any course you included on the form, you must do it using our **Drop Form** (located on our website.) **If you do not drop a course by the drop date, the course will remain on your permanent college record, and you will be responsible for any fees associated with the course.**

**WHY CU SUCCEED?**

CU Succeed students take CU Denver courses in their high schools, taught by CU Denver-approved teachers, at a reduced tuition rate. Students receive college credit with a letter grade on a CU Denver transcript!

**Instructors:** Courses are taught by high school teachers who have been approved by a CU Denver academic department, or by CU Denver adjunct faculty placed in your high school.

**Transfer of Credits:** CU Succeed courses earn college credits on an official CU Denver transcript. These credits apply to degree programs at CU Denver, and may be transferred to other colleges and universities.

**Order a transcript on our website:** ucdenver.edu/transcripts (You will need your student ID! Make sure you write it down, or save it somewhere!)

CU Denver cannot guarantee that all courses will transfer to all institutions, nor will it refund tuition for courses that do not transfer.

**Affordability:** Tuition for CU Succeed courses is $77 per credit hour, a fraction of the cost of on-campus courses.
