

The 61st Annual Coorstek Denver Metro Regional Science & Engineering Fair

February 23, 2024

The **CoorsTek Denver Metro Regional Science and Engineering Fair** prepares the next generation of STEM professionals by fostering an enthusiasm for science and inquiry. Our annual event offers students an opportunity to engage the Denver metro STEM community and to present their original research in an atmosphere of competition, creativity, education, and fun.

THREE WAYS TO GIVE

GIVE MONEY

- Become an event partner.
- Sponsor a Special Award to acknowledge students' skills and expertise.

GIVE TIME

- Share your time with our students by signing up to judge or volunteer at the 2024 fair.

GIVE CONNECTION

- Help us grow the science fair community! Forward this flyer to a friend, invite colleagues to volunteer at the fair, or share our online resources with teachers and students.

Read the [DMRSEF Impact Report](#) to learn more about our year-round programs!
