

DMRSEF *February 20th* **2026**

THIS IS WHAT A SCIENTIST LOOKS LIKE

The CoorsTek **Denver Metro Regional Science & Engineering Fair** (DMRSEF) is a middle and high school STEM competition that **empowers students to become researchers**. Our annual event provides a platform for students to engage the STEM community and to present their original research in an atmosphere of competition, creativity, education, and fun.

**WE ARE SEEKING EVENT PARTNERS TO COLLABORATE AND SUPPORT
THE SCIENCE FAIR AND LOCAL STUDENT SCIENTISTS.**

Support the Denver Science Fair

Share Time

It takes a village to host a science fair!

- Volunteer as a judge or mentor
- Join our Scientific Review Committee
- Host hands-on demonstrations at the Activities Fair

Donate Money

Provide monetary and in-kind gifts to assure the longevity of our programs.

- Create a Special Award of cash, prizes, or experiences to acknowledge students' skills and expertise.
- Become an Event Partner at corporate donor levels
- Support our Crowdfunding campaign

Foster Connection

Help us continue to grow our science fair community.

- Join our Operating Committee or Community Advisory Council
- Join our Mentor Network and be a resource for students
- Introduce DMRSEF to your connections
