

## Financial Commitment Form

For Issuance of Form I-20 or DS-2019

---

---

In order to receive a Form I-20 or DS-2019, prospective F-1 and J-1 students must provide documents that demonstrate adequate finances to fund educational and living expenses for at least one academic year. Having obtained an I-20 or DS-2019, signing it, and either entering the U.S. or filing a change of status to F-1 or J-1 status, you agree to have funds available for the duration of your studies.

If financial documentation will come from an individual and not a government, organization, or your own personal finances, please also have that individual complete the form below. Each individual contributing financially to your education must complete this form and submit a bank letter that meets our standards. Please see the standards for bank statements here: [Financial Documents Standards](#).
