

Geography & Environmental Sciences

College of Liberal Arts & Sciences

DO YOU NEED AN INTERNSHIP?

START HERE!

Attend an Internship Workshop” at the Experiential Learning Center in Tivoli 260

REGISTER for a Workshop:

- Login to Handshake account at: www.ucdenver.edu/elc
- Click on “Students” under the Handshake Icon and login with you University username and password
- Click on “Events” (left side) and select “Internship Workshop”
- Click “Join Event” and complete your registration for the Internship Workshop

During this workshop you will:

- Learn about the process for finding an internship that matches your interests and major
- Learn how to apply for academic internship credit, CPT and much more!

In addition to Handshake, GES posts internship opportunities sent to us on the bulletin board in the department and distribute through the GES Monthly Events email. We do not necessarily endorse these, and highly encourage always setting these up through the Office of Experiential Learning.
