- This option has an articulation agreement with the Masters in Urban and Regional Planning. If interested, students should check with the option advisor early in the program.
- For URPL courses not cross-listed as GEOG courses, students should check with URPL faculty before enrolling.
- Only 3 credits of Travel Study may be counted toward graduation requirements
- Students must complete a minimum of 24 hours of upper-division credit.
- At least 15 semester hours must be taken at CU Denver.
- Undergraduate students may count up to 6 credit hours of independent study or internship (any combination of GEOG 3840, 4840, 4880, or 3939) towards elective credit in the major as approved by the undergraduate coordinator. Students may not receive more than 3 credit hours per independent study section. No more than 3 credit hours of independent study may be taken with the same instructor or in the same term.
- In addition, admission to the MS in ES program requires one semester of physics (with lab) and one semester of calculus.
