UNIVERSITY OF COLORADO **DENVER**

Fall 2022 Elective

Ethnicity, Health and Social Justice

PBHL/ETST 3002: Online, Asynchronous

Instructor: Ronica Rooks, PhD

IMAGE: PIXABAY/MOHAMED_HASSAN

The COVID-19 pandemic has both exacerbated and highlighted the **ongoing racial and ethnic disparities** that plague our health care system. This course analyzes **historical and contemporary social policies** that have contributed to the **emergence and persistence of these health disparities**, as well as possible **interventions and solutions** to facilitate the production of a more **just society**.
