

COLORADOSP RESEARCH EXCHANGE

Friday, September 23, 2022

8:00 am-2:00 pm

Anschutz Health Sciences Building

Anschutz Medical Campus

NETWORKING

Meet ColoradoSPH leaders during a Q&A session geared towards students considering a certificate, masters, or doctoral program. Talk with current graduate students.

PUBLIC HEALTH CAREERS

Hear from faculty about the different career trajectories they have taken in academic public health.

RESEARCH

Discover the innovative research that is happening at the school through faculty lightning talks and doctoral students posters.

REGISTER TODAY!
