

SARA YEATMAN, PhD

July 2023

Department of Health and Behavioral Sciences
University of Colorado Denver
College of Liberal Arts and Sciences
Campus Box 188, PO Box 173364
Denver, CO 80217-3364 USA

sara.yeatman@ucdenver.edu
Office: +1 (303) 315-7157

Education

Ph.D. Sociology, University of Texas at Austin, 2008

M.Sc. Demography and Health, London School of Hygiene and Tropical Medicine, 2004

B.A. International Relations and Environmental Studies, *Magna Cum Laude*, Tufts University, 2001

Professional Positions

- 2023- Director, CU Population Center (CUPC)
- 2023- Research Professor, Institute of Behavioral Science
University of Colorado Boulder
- 2021- Professor, Department of Health and Behavioral Sciences
University of Colorado Denver
- 2019-2022 Chair, Department of Health and Behavioral Sciences
University of Colorado Denver
- 2015-2021 Associate Professor, Department of Health and Behavioral Sciences
University of Colorado Denver
- 2008-2015 Assistant Professor, Department of Health and Behavioral Sciences
University of Colorado Denver
- 2009- Faculty Affiliate, CU Population Center
University of Colorado Boulder
- 2009- Faculty Affiliate, Center for Global Health, Colorado School of Public Health

[Used](#) to support the World Health Organization’s decision to recommend over-the-counter access to oral contraception.

Book Chapters

- 2015 **Yeatman, Sara.** “Measuring Reproductive Health.” In Global Population and Reproductive Health (editor: Deborah McFarlane). Jones and Bartlett—Essential Public Health Series.
- 2013 **Yeatman, Sara** and Jenny Trinitapoli. “‘I will give birth but not too much’: HIV-positive childbearing in rural Malawi” in Women, Motherhood and Living with HIV/AIDS: A Cross-Cultural Perspective (editor: Pranee Liamputtong). Springer Netherlands. Pp 93-109.

Grants

- 2023-2025 Co-Investigator, “Beyond Boom and Bust: Heterogeneous Fertility Effects of the COVID-19 Pandemic,” (PI, Leslie Root). NICHD R03 HD110815
- 2020-2025 Co-Investigator (PI of UCD subcontract), “Access to Reproductive Healthcare, Fertility, and Associated Outcomes,” (PI, Amanda Stevenson). NICHD R01 HD101480 (\$2,729,305 total costs)
- 2020-2023 Co-Investigator, “Long-term Impact of Access to Contraception,” (PI, Amanda Stevenson). The William and Flora Hewlett Foundation (\$705,000 total costs)
- 2019-2021 Principal Investigator (M), “Prospective Determinants of Unintended Pregnancy and its Health Consequences.” NICHD R03 HD097360 (\$174,114 total costs)
- 2019-2020 Co-Principal Investigator (with Jean Scandlyn), “Exploring Ways to Improve Access to Adolescent Reproductive Health Services in El Alto, Bolivia.” Office of Research Services, CU Denver (\$28,756)
- 2019-2020 Principal Investigator, “Contraceptive Access Through School-Based Health Centers.” CU Denver CRISP Award (\$5,000)
- 2018-2020 Consultant, “Expanding Access to Longitudinal Population-Based Data on HIV in Young Adulthood”, (PI, Jenny Trinitapoli). NICHD R03 HD095690 (\$162,000 total costs).
- 2018-2019 Co-Investigator, “Assessing Life Course Impacts of Expanded Access to LARCs in Colorado”, (PI, Amanda Stevenson). The William and Flora Hewlett Foundation (\$450,000 direct costs)
- 2017-2018 Co-Investigator, “Assessing Life Course Impacts of Expanded Access to LARCs in Colorado”, (PI, Amanda Stevenson). Society of Family Planning. (\$120,000 direct costs)
- 2017-2018 Principal Investigator, Planning Grant for “Assessing Life Course Impacts of Expanded Access to LARCs in Colorado.” CU Denver CRISP Award, (\$9,680)

- 2013-2018 Co-Investigator (PI of UCD subcontract: \$657,102 in total costs), “The Relationship Between HIV and Fertility in a Context of Expanding ART Access”, (PI, Jenny Trinitapoli). NICHD R01 HD077873 (\$2,371,218 total costs)
- 2015-2016 Co-Mentor, “Gender, Power, and Perinatal HIV in Urban Zambia”, (PI, Karen Hampanda). NIMH National Research Service Award Pre-doctoral Individual Fellowship. F31- MH107348.
- 2014-2016 Mentor, “Gender Disparities in High-Risk PITC: The Role of Policy on Provider Practices,” (PI, Kathryn Dovel). NIMH National Research Service Award Pre-Doctoral Individual Fellowship, F31- MH103078.
- 2010-2012 Principal Investigator, “Young Adults’ Responses to ART: Implications of ART in a Generalized Epidemic”, NICHD R03 HD067099 (\$146,383 in total costs).
- 2010-2012 Co-Mentor, “Gender, Relationship Power, and HIV Testing in Rural Malawi”, (PI, Amy Conroy). NIMH National Research Service Award Pre-Doctoral Individual Fellowship, F31-MH093260.
- 2010-2011 Co-Investigator (PI of UCD subcontract: \$58,985 in total costs), ARRA Supplement to R01 HD058366
- 2009-2010 Principal Investigator, Faculty Development Grant, University of Colorado Denver, “Relationship Power and HIV Risk in Malawi” (\$5,000)
- 2008-2013 Co-Investigator (PI of UCD subcontract: \$326,270 in total costs), “Young Adults’ Strategies for Navigating Reproduction in an AIDS Epidemic”, (PI, Jenny Trinitapoli,). NICHD R01 HD058366 (\$2,449,171)
- 2006 Co-Investigator, National Science Foundation, Doctoral Dissertation Research Improvement Grant. “Childbearing Preferences in Times of Crisis: Economic and Sociocultural Processes and Explanations” SES-0623543 (PI, Joseph Potter) (\$7,495)
- Co-Investigator, Mellon AIDS Node, “HIV Voluntary Counseling and Testing (VCT) in Mchinji District, Malawi: A Complete District Surveillance Study on Uptake and Attitudes” (PI, Hans-Peter Kohler) (\$14,000)
- Co-Investigator, University Research Fellowship, University of Pennsylvania, “HIV Voluntary Counseling and Testing in Mchinji District, Malawi: A Complete District Surveillance Study on Uptake and Attitudes” (PI, Hans-Peter Kohler) (\$21,000)
- 2005 Principal Investigator, University of Texas Liberal Arts Graduate Research Fellowship. “Fertility in Times of Crisis: The Case of the AIDS Epidemic in Rural Malawi” (\$1,970)
- Principal Investigator, Summer Research Award, Andrew W. Mellon Foundation. “HIV, Fertility and Religion in Rural Malawi” (\$3,000)

|-----------|---|
| 2023 | Athletic Hall of Fame, Tufts University, 2000 Women’s Soccer Team |
| 2019 | Excellence in Research and Creative Activities Award, College of Liberal Arts and Sciences, University of Colorado Denver |
| 2015 | Graduate School Dean’s Mentoring Award, University of Colorado Denver |
| 2008 | Graduate Fellow, American Academy of Political and Social Science (Award) |
| 2007 | William H. Hildebrand Endowed Graduate Fellowship, University of Texas at Austin (\$19,000) |
| 2005-2007 | NICHD Pre-doctoral Trainee in Demography, University of Texas at Austin |
| 2000 | First-team All-American, Division III Women’s Soccer |

Invited Presentations

- “The impact of expanded contraceptive access on women’s lives.” Leverhulme Centre for Demographic Science, Oxford University. February 2023.
- “The impact of expanded contraceptive access on women’s university completion.” Social Research Group/Centre for Longitudinal Studies, University College London. November 2022.
- Population Studies Group, London School of Hygiene and Tropical Medicine. October 2022.
- Discussant, Session on “High Fertility: Causes, Consequences, Variation.” Population Association of America Conference, Atlanta, April 2022.
- “Measuring Fertility Desires, Predictability, and Flexibility.” International Workshop on Methodologies for Measuring Pregnancy Intention, and Unintended Pregnancy and Birth.

- International Union for the Scientific Study of Population (IUSSP)—Scientific Panel on Abortion Research, May 2021.
- “Author Meets Critics: *Obstacle Course: The Everyday Struggle to Get an Abortion in America* by David Cohen and Carol Joffe.” Pacific Sociological Association, March 2021.
- “Assessing the Educational Impacts of Expanded Access to LARCs in Colorado”. Colorado School of Public Health, Department of Epidemiology’s Seminar Series, March 2021.
- Discussant, Session on “Reproductive Behavior and Sexual Health of Middle and Older Adults.” Population Association of America Conference, Austin, April 2019.
- Discussant, Session on “Sexually Transmitted Infections, HIV, Fertility, and Reproductive Health.” Population Association of America Conference, Denver, April 2018.
- “Best Friend Approach in Malawi”. Expert Meeting on Abortion Estimation Methodologies. Guttmacher Institute. September 2017.
- “The Dynamics of Fertility Preferences in Southern Malawi”. Institut National D’études Démographiques (INED). Paris, France. May 2017.
- Discussant, Session on “Couples’ Reproductive Health and Fertility: International Perspectives.” Population Association of America Conference, Chicago, April 2017.
- “Women’s (Health) Work: Accounting for Gender Inequality in Time-Spent Seeking Healthcare”. Purdue University, Center for Research on Young People’s Health. Symposium: *Beyond Risk: Social Influences of Young Women’s Health in Africa*. February, 2017.
- “The Consequences of Unplanned Births (and Their Measurement) for Child and Parental Health in Malawi.” Population and Health Workshop, University of Colorado Boulder, October 2016.
- “Best-Friend Reports: A Tool for Measuring the Prevalence of Sensitive Behaviors.” Instituto de Saúde Pública da Universidade do Porto, Portugal, February 2016.
- “Existing Literature on the Impact of ART on Fertility.” UNAIDS Reference Group Meeting on Modeling Pediatric HIV and the Need for ART. London, October 2015.
- “Best-Friend Reports: A Tool for Measuring the Prevalence of Sensitive Behaviors.” Population, Education, and Health Seminar Series. University of Missouri. November 2014.
- Discussant, Session on “HIV/AIDS.” Population Association of America Conference, San Francisco, May 2012.
- “Fertility Preference Dynamics in the Context of Transitioning Fertility.” Institute of Behavioral Science, University of Colorado Boulder, April 2012.
- “The Value of Panel Designs.” African Population Studies Short Course on Longitudinal Data Management and Analysis, Institute of Behavioral Science, University of Colorado Boulder. July 2011.
- “Issues Surrounding HIV Testing in Sub-Saharan Africa.” University of Colorado Denver Global Health Conference, October 2010.
- Discussant, Session on “Sexual Behavior, Condom Use and STIs.” Population Association of America Conference, Dallas, April 2010.
- “Moving Beyond Live Births: What We Can Learn from Measuring Pregnancy, Abortion and Fetal Loss in Southern Malawi.” Institute of Behavioral Science, University of Colorado Boulder. April 2010.
- “Tsogolo la Thanzi: A Social Examination of Young People and HIV/AIDS in Southern Malawi.” Center for AIDS Research, University of Colorado Denver, December 2009.
- “Ethical and Public Health Considerations in HIV Counseling and Testing: What Do We Know and What Should That Mean for Policy?” HIV Research Net Conference. Bergen, Norway. October 2007.
- “Fertility in Times of Crisis: HIV Infection and Childbearing Intentions in Rural Malawi.” Guttmacher Institute. New York City. July 2007.

Peer-Reviewed Presentations (select, last 2 years only)

Leslie Root, Amanda Stevenson, Katie Genadek, **Sara Yeatman**, Stefanie Mollborn, and Jane Menken. “Impact of increased contraceptive access on fertility across the life course.” Paper to be presented at Population Association of America Conference. New Orleans, LA. April 2023.

Amanda Stevenson, Liyang Xie, Katie Genadek, **Sara Yeatman**, Stefanie Mollborn, and Jane Menken. “Does access to contraception impact exposure to household poverty? Evidence from Colorado.” Paper to be presented at Population Association of America Conference. New Orleans, LA. April 2023.

Sara Yeatman, Amanda Jean Stevenson, Katie R. Genadek, Stefanie Mollborn, and Jane Menken. “The impact of expanded contraceptive access on postsecondary enrollment.” Paper presented at Population Association of America Conference. Virtual. May 2021.

Professional Activities and Memberships

Organizer. “Unrealized Fertility.” International Union for the Scientific Study of Population. Brisbane, Australia. 2025.

Organizer. “Sexually Transmitted Infections. Population Association of America Annual Meeting. Columbus, OH. 2024.

Member, Editor Search Committee, *Studies in Family Planning*. 2022.

Editorial board. *Studies in Family Planning* (2022-present)

Editorial board. *Population Research and Policy Review* (2018-present)

Harriet Presser Award Committee, Population Association of America. 2020-2024.

Co-Organizer. “Fertility.” American Sociological Association. Virtual. August 2021.

Co-Organizer. “Infectious Disease and Reproductive Health.” Population Association of America Conference. Virtual. April 2021.

Organizer/Chair. “Sexually Transmitted Infections, HIV, Fertility and Reproductive Health.” Population Association of America Conference. Washington, DC. April 2020. [conference cancelled due to COVID-19]

Chair. “Fertility Intentions: Causes and Consequences.” Population Association of America Conference. Austin, TX. April 2019.

Ad hoc reviewer. National Science Foundation. 2014, 2016, 2019.

Co-organizer. “Mini-conference on African Population, Environment and Health.” Institute of Behavioral Science. Boulder, CO. April 25, 2018.

Chair. “Trends in HIV Incidence, HIV Care and Treatment, and Population Projections in Africa.” IUSSP Conference, Cape Town, South Africa. November 2017.

Oral Abstracts Judge. North American Forum on Family Planning. October 2017.

Poster Judge. “Fertility, Family Planning, Sexual Behavior, & Reproductive Health.” PAA Annual Conference, Chicago, IL, April 2017.

Organizer, “Fertility Intentions: Measurement and Meaning.” PAA Annual Conference, San Diego, CA, April/May 2015.

Chair. “AIDS in the Era of ART.” PAA Annual Conference, Boston, MA, May 2014.

Poster Judge. “Family Planning, Sexual Behavior & Reproductive Health.” PAA Annual Conference, Boston, MA, May 2014.

Organizer/Chair, “Fertility Intentions Over Time”. XXVII IUSSP International Population Conference, Korea, August 2013.

Organizer/Chair, “Reproductive Ambivalence and Uncertainty”. XXVII IUSSP International Population Conference, Korea, August 2013.

Dissertation Opponent, Faculty of Medicine, University of Oslo, Norway, June 2013.

Dissertation Opponent, Center for International Health, University of Bergen, Norway, June 2011.

Reviewer, Ibis Reproductive Health, Ellertson Post-Doctoral Projects. 2009.

Full Fellow, Society for Family Planning

Member, Population Association of America

Member, International Union for the Scientific Study of Population

Occasional reviewer (select): *Demography, The Lancet, Lancet Infectious Diseases, Lancet Global Health, BMJ Sexual & Reproductive Health, Studies in Family Planning, Social Forces, Population and Development Review, Population Studies, AIDS, AIDS & Behavior, American Sociological Review, Journal of Health and Social Behavior, Bulletin of the World Health Organization, Social Science & Medicine, Journal of Marriage and Family, European Journal of Population, Demographic Research, International Perspectives on Sexual and Reproductive Health, Culture Health & Sexuality*

Courses Taught

PBHL 2052 Global Demography and Health, undergraduate (CU Denver)

PBHL 3071 Global Topics in Sexual and Reproductive Health, undergraduate (CU Denver)

PBHL 3070 Perspectives in Global Health, undergraduate (CU Denver)

HBSC 7041 Research Design in the Health and Behavioral Sciences, doctoral (CU Denver)

Dissertation and Thesis Committees

Students are from the CU Denver Department of Health and Behavioral Sciences unless otherwise stated. Parentheses indicate fellowships or grants awarded while a student or program if outside of HBS.

Dissertation Advisor, In Progress: Leah Pauline; Bonginkhosi “Petros” Vilakati

Dissertation Advisor, Completed:

Marisa Westbrook (co-Advisor), Assistant Professor, Oregon Health and Science University-Portland State University

Stephanie Chamberlin, T32 Health Disparities Research Scholar, University of Wisconsin

Kathryn Dovel (NIMH F31 Predoctoral Fellow), Assistant Professor, UCLA David Geffen School of Medicine
