- Spring semester appointments: prorated pay in January, equal paychecks February through April, prorated pay in May

Pay Exceptions:

- Physics lab (one credit hour) taught by Lecturer are paid at 1.5 credit hours (\$2,422.50/lab)
- Chemistry labs taught by Lecturer are paid as follows:
Chem 2088 and 2098 rate is \$4,845
Chem 3018, 3118, 3488, 3498, 4828 rate is \$4,935
Chem 4128, 4518 and 4538 rate is \$3,633.75 (lower division one credit hour rate * 2.25 credits)
- Chemistry recitations taught by Lecturer are paid as follows:
Chem 3118, 4128, 4518 and 4538 rate is \$1,615
Chem 3498 rate is \$3,290
- GES labs taught by Lecturer paid as follows, for max of one section/semester. (Additional sections paid at 1 credit hour rate)
\$4,482/lab, with Master's degree
\$4,182/lab, without Master's degree (same as TA exception pay rate)
- Math: 2 sections of 1011 or 2831: \$4,845
- Phil CU Succeed liaison is paid \$1,615
- Biology labs taught by Lecturer are paid as follows:
General Biology lab rate is \$3,230 (2 credit hour, lower division course)
Anat/Physio/Micro/Molecular lab rate is \$4,845 (3 credit hour, lower division course)
- Biology sections taught by GPTI paid Graduate TA exception rate (\$5,324 at 10 hrs/wk for 3 credit course, max 2 courses)
- PSCI New Directions course rate is \$4,935
- ENGL/ESL Academy - 1 ESL course paid at 1/2 CLAS 3 credit hour upper division course rate: \$2,467.50
