

Reappointing a Lecturer, GPTI or TA on a Contract

Since the summer 2022 term ends at the end of July, your Lecturers/GPTIs/TAs should be on Short Work Break. Before reappointing them, you must return them from SWB using effective date 8/22/22.

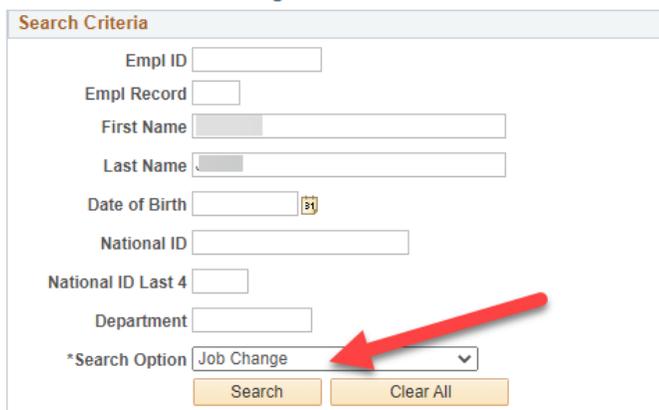

Before proceeding with the reappointment, make any necessary updates to the Position (standard hours) **effective 8/22/22**. Once approved, you can proceed with the reappointment.

Click on the Transaction Launch Page in HCM.

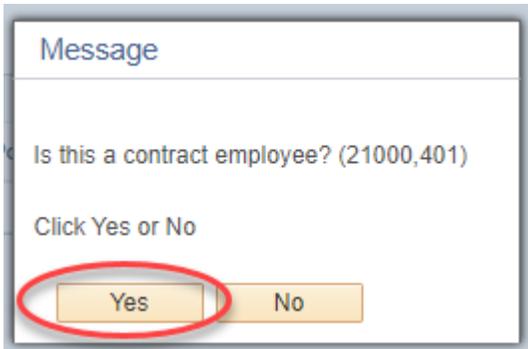

Enter Empl ID or Name. Select Search Option **Job Change**. Click Search.

Pay Group

For Lecturers, use Pay Group **MON**

For GPTIs and TAs, use Pay Group **STM**

For contracts, the Employee Type should always be Salaried, Compensation Frequency should be Contract, and Comp Rate Code should be BASEC – Base Contract. When you select the MON pay group, these fields will default correctly automatically. With STM pay group, pay can be either monthly or contract, so if these fields are grayed out and you need to change them from Monthly to Contract, select a different pay group, then go back and select STM pay group again. That will update these fields correctly.

Compensation Rate

Enter the TOTAL semester pay amount (e.g. Lecturer/GPTI - \$4,488 for a lower division 3-credit course or Graduate TA - \$3,981 for a 3-credit course)

Contract Term Period

Select the appropriate term (Fall, Spring, etc.)

Both the Appointment End Date and Expected Job End Date fields should be left blank.

Do NOT change anything in the CU Faculty Contracts section.

Click Save and Submit for Approval.
