¹Sum grade points earned in biology courses taken at UCD divided by credits earned for same.

I, _____, attest that all of the information provided in this application is true to the best of my knowledge and may be released to the Phi Rho Chapter Selection Committee.

Signature _____ Date _____

By signing this form, I permit the Chapter to verify the academic information provided with the understanding that it will be used solely for determining membership eligibility and will not be released or used for any other purpose.

The mission of the Phi Rho Chapter of Tri Beta emphasizes the dispersion of knowledge, stimulation of scholarship, and encouragement of research in the biological sciences. Provide three reasons why you are interested in becoming a member that align with this mission.

1.

2.

3.

Please return this completed form and an unofficial copy of your transcripts in a sealed envelope to the Phi Rho Chapter, which has a mailbox in the UC Denver Biology Office, SI 2071.

Activities/Honors

The Phi Rho Chapter membership involves criteria associated with academic performance, extracurricular activity, professional ambitions, and commitment to service, scientific research, and other forms of scholarship. Using only the space provided below, briefly describe those activities in which you have participated since entering college that align with the Phi Rho Chapter membership criteria. If you feel a note of clarification about an activity would be helpful to the members of the selection committee, please provide such a description.

ON-CAMPUS AND OFF-CAMPUS ACTIVITIES

RESEARCH ACTIVITIES

COMMUNITY SERVICE

HONORS AND RECOGNITIONS

EMPLOYMENT
