

Math and Stat Support Tutor

Description

Math and Stat Support operates Monday – Friday in the Learning Commons (1191 Larimer Street) and offers free drop-in assistance to CU Denver students enrolled in a mathematics course. Our tutors are responsible for assisting students with their mathematical needs both individually and in small groups.

Tutors are hired at \$17.29/hour (Fall 2023) and \$18.29/hour (Starting Spring 2024). Typical shifts are 2-3 hours in length and we encourage our tutors to work at least two days each week.

Requirements:

- Tutor appointments are reserved for CU Denver students actively enrolled and participating in an approved undergraduate or graduate program.
- Ideal Tutors have completed both Linear Algebra and Calculus II.
- Applicants will be subject to a background check prior to hiring.

Important Notes on Employment:

Students may work a maximum of 25 hours per week or 50 hours total per biweekly payroll period during the fall and spring semesters, provided that no single week in that period exceeds 40 hours. International students may work a maximum of 20 hours per week. Work hour limits apply to all positions held at CU combined. You must disclose to your employing department any other employment you have with the University of Colorado.

Application Instructions:

- Please apply via Handshake
 - Create an account at <http://ucdenver.joinhandshake.com> and search for “Math and Stat Support Tutor”
 - Submit PDF of Transcript (Unofficial is Acceptable)
 - In a cover letter provide any past tutoring/teaching experiences, number of hours a week you would be looking to work, and any other relevant qualities you would like us to be aware of.
 - Email mike.kawai@ucdenver.edu and daniel.klie@ucdenver.edu to set-up a brief interview.
