# University of Colorado Denver

## Lecturer

This posting is for a part-time lecturer to teach undergraduate mathematics courses in the Department of Mathematical and Statistical Sciences at the University of Colorado Denver. This is a temporary, non-tenure track position. The appointment is for one semester, with the possibility of renewal for future semesters. The Department of Mathematical and Statistical Sciences is housed on the Auraria campus in the heart of Denver's commercial, cultural, and recreational district. Its location in downtown Denver attracts a diverse population, comprising both traditional and non-traditional students. This diversity is enriched by our commitment to a philosophy of inclusion, embedded in all aspects of campus life from its community members, curriculum, research and community service, allowing for the creation of a learning environment that welcomes, embraces, sustains and celebrates the unique and shared experiences of faculty, staff, and students. This posting is a pool for continuous faculty hires. Review of applications will begin immediately and continue until the position is filled. All applicants must apply online at: https://www.cu.edu/cu-careers.     Requisition number: 06118

Minimum Qualifications: An earned Master's degree in the mathematical sciences from an accredited university; OR the equivalent of a bachelor's degree in Mathematics (including at least 36 credit hours of coursework beyond the calculus level) AND a Master's degree in any other area; OR a Master's degree in any area and 18 credit hours of graduate-level course work in the Mathematical Sciences. Desired Qualifications: A record of successful teaching at the secondary or college level.

Salary and Benefits:

Salary is commensurate with skills and experience. The University of Colorado offers a full benefits package. Information on University benefits programs, including eligibility, is located at Employee Services.

The University of Colorado Denver is dedicated to ensuring a safe and secure environment for our faculty, staff, students and visitors. To assist in achieving that goal, we conduct background investigations for all prospective employees.

The University of Colorado strongly supports the principle of diversity. We encourage applications from women, ethnic minorities, persons with disabilities

and all veterans. The University of Colorado is committed to diversity and equality in education and employment.

The Immigration Reform and Control Act requires that verification of employment eligibility be documented for all new employees by the end of the third day of work. Alternative formats of this ad are available upon request for persons with disabilities.
