Part II: Request for Complete Term Withdrawal (please complete this portion only if you are dropping ALL courses for the semester.)

I request permission to be withdrawn from all classes. I acknowledge responsibility for any tuition and fees. Changes in enrollment can have an impact on financial aid eligibility. Contact the Financial Aid Office for further information.

 Student Signature Date Authority Signature Date

This form must be complete before submitting to the Office of the Registrar (Student Commons Building). Please consult the academic calendars to ensure compliance with specific deadlines.

E=Enroll

Register for classes through the student portal until the end of the enrollment period. A **Late Add Petition Form** with Instructor and Authority signature must be completed for adding classes after the online enrollment period.

D=Drop

Drop classes through the student portal during the online enrollment period. Classes dropped before the Census date will not show on the student's transcript and the student will not be billed for tuition and fees.

Students may drop classes through the end of the 1st week of the semester without being assessed a drop fee. After the 1st week of class through Census, students are charged a drop fee of \$100 per class.

Classes can be dropped using the student portal after the Census date until the tenth week of the term. The drop will show on the student's transcript with a "W" grade and all tuition and fees will be due and payable to the University.

Classes dropped after the tenth week of Fall or Spring semesters and the sixth week of the Summer term will require both the Instructor and Authority Signature on a **Late Withdrawal Petition**.

Note: It is the student responsibility to drop a class(s) from their account if you no longer want the class using your student portal.

TC=Time Conflict

The student should enroll in the first class using the student portal in which a time conflict exists. The instructor of the second class must approve attendance in her/his class.

(Faculty Note: Please indicate on this schedule adjustment form that you are allowing this student to register for your class even though a time conflict exists.)

WL=Waitlist

If you are eligible to take a class, but find it is closed, you may put yourself on the waitlist using the student portal or this form during the enrollment period.

Once you are on a waitlist, you are responsible for monitoring your schedule to see if you are added in the class. If you decide you do not want to enroll in the class, you are responsible for dropping it from your schedule.

Waitlists are purged after the 1st week of the semester, so if you are not officially enrolled in the class by then, you will need to submit a Late Add Petition form with the instructor's approval to enroll in the class to the Office of the Registrar (Student Common Building 1201 Larimer Street, Suite 5005) or thru email at www.registrar@ucdenver.edu.

OV=Credit Hour Overload

If you wish to take more than 18 semester credit hours in the Fall or Spring semester, or more than 12 credit hours in the Summer term, you must obtain Authority Signature Approval from your school/college.

CH=Credit Hour Adjustment

Variable credit hour classes can be changed during the Add/Drop enrollment period. After this period closes, an Authority signature is needed to adjust the credit hours for which you are registered. Enter the correct hours on this form. Tuition bill will be adjusted upon changes made.

Restricted Courses

To add restricted classes to your schedule, please consult your school/college.

Grade Type Changes:

During the Add/Drop enrollment period you may change your grade type in a course to either **P/F=Pass/Fail** or **NC=No Credit**. Once Add/Drop enrollment ceases, changing the grade type to or from a **Pass/Fail** or **No Credit** will require the Authority Approval Signature on this form.

(No credit is not to be confused with Metro's drop code of NC. Contact your school/college for more information.)

Full Term Withdrawal

Part II of this form must be completed and signed before submitting it to the Office of the Registrar in the Student Common Building at 1201 Larimer Street, Suite 5005 or by email to www.registrar@ucdenver.edu.

Please Note:

All forms must be completed and signed with ink prior to submitting them for processing. The date the form is received will be the effective date of the action requested. It is the student's responsibility to make sure that all information is accurate for processing.
