## Spain

This Spanish Experience is a one-month, six-credit immersion learning experience spent living and studying in Spain. The program is centered for three weeks in the city of Valladolid, whose university (UVA) was founded in the early 13th century by Alfonso VIII, King of Castile. The Centro de Idiomas of the university is well known for its summer Spanish as a Second Language program for foreign students. The classes are held in the Miguel Delibes campus, located about 10 minutes outside of downtown Valladolid. In addition to providing intensive practice in all four language skills in Spanish, this program introduces students to the various facets of contemporary life in Spain as a means of gaining a basic understanding of past and present Spanish society.

Following the academic program in Valladolid, there will be a group trip to Madrid for engagement in cultural activities.

### What is a CU Denver Global Study program?

A CU Denver course that takes place in another part of the world. CU Denver faculty lead and teach a wide range of Global Study programs worldwide. Students have the extraordinary opportunity to engage with the location and their professor. These programs are designed with the CU Denver student body in mind: costs are reasonable and they are short-term to allow busy students to fit studying abroad into their schedule. This course also fulfills the International Perspectives requirement.

### Financial Aid

CU Denver students may be able to use their existing financial aid for Global Study programs. Note that Maymester programs are considered part of the Summer term for financial aid. In order to be eligible for financial aid, students must be registered for at least half-time status (6 credits for undergraduates, 3 credits for graduates) during the Summer term. For more information, schedule an appointment with Mary Morales ([mary.morales@ucdenver.edu](mailto:mary.morales@ucdenver.edu), 303.315.1848) in the financial aid office before you have been accepted to the program.
