

Adam M. Lippert, Ph.D.

ADDRESS

420-E Lawrence Street Center
 1380 Lawrence Street
 Denver, CO 80204

303-315-2146 (tel.)
 303-315-2149 (fax)
 adam.lippert@ucdenver.edu

EDUCATION

- 2013 Ph.D., Pennsylvania State University
 Sociology and Demography
 Emphasis Areas: Demography, Quantitative Methods, Medical Sociology, Urban Sociology
- 2006 M.A., University of Wisconsin-Milwaukee
 Sociology
- 2002 B.S., Grand Valley State University
 Psychology and Sociology
-

PROFESSIONAL EXPERIENCE

- 2023 – Associate Professor, Department of Sociology, University of Colorado Denver
- 2015 – 2023 Assistant Professor, Department of Sociology, University of Colorado Denver
 Graduate Faculty, Department of Sociology, University of Colorado Boulder (*courtesy*)
- 2019 – Graduate Program Director, Sociology Department, University of Colorado Denver
- 2017 – Affiliated Scientist, Colorado Population Center (CUPC)
- 2022 – Affiliated Scientist, Institute for Behavioral Sciences, University of Colorado Boulder
- 2013 – 2015 Robert Wood Johnson Health & Society Scholar, Harvard University
- 2006 – 2008 Research Associate, Center for Applied Behavioral Health Research, University of Wisconsin
-

AWARDS AND HONORS

- 2021 Dean's Graduate Mentoring Award, Graduate School at the University of Colorado Denver
- 2020 Excellence in Teaching Award, College of Liberal Arts & Sciences at the University of Colorado Denver
- 2019 Dean's Graduate Mentoring Award, Graduate School at the University of Colorado Denver
-

TEACHING AND RESEARCH INTERESTS

Demography, quantitative methods, medical sociology, health disparities, urban sociology

REFEREED ARTICLES ^{GS} graduate student coauthor; ^{UG} undergraduate student coauthor)

Lippert, Adam M. and Daniel J. Corsi (equal authorship). “The geography and community correlates of e-cigarette use in Canadian communities”

MANUSCRIPTS IN PREPARATION

OTHER WORKS

Lippert, Adam M. and Daniel Corsi (equal contributions). “A data atlas of Canadian e-cigarette use”
URL *forthcoming*

INVITED PRESENTATIONS

Lippert, Adam M. “Vaping in North America: New Frontiers on the Geography and Context of ENDS Use.” To the Centro de Ciencias Humanas y Sociales (Spanish National Research Council), Madrid ES (October 2023).

REFEREED PRESENTATIONS AT MEETINGS

Lippert, Adam M. and José Puente Puente. “Development of a Multi-Dimensional Measure of Neighborhood Socioeconomic Environment (NSE) and Implications for Population Health Disparities.” Poster presented at the annual meeting of the Population Association of America, New Orleans LA (April 2023).

Lippert, Adam M. and Daniel J. Corsi (equal contributions). “Assessing the Geographic Distribution of E-Cigarette Use across Canada and its Community-Level Correlates.” Paper presented at the annual meeting of the Population Association of America, New Orleans LA (April 2023).

Venechuk, Grace^{GS} and **Adam M. Lippert**. “Job decision latitude and mental health: Improving on causal Estimates.” Poster presented at the annual meeting of the Population Association of America, Atlanta GA (April 2022).

Lippert, Adam M., Alexis Mitsuhashi^{UG}, and Annie Fritsch^{UG}. “The geography of black-white disparities in sepsis-associated death.” Paper presented at the annual meeting of the Interdisciplinary Association for Population Health Science, Seattle WA (October 2019).

Lippert, Adam M. and Grace Venechuk^{GS}. “Job decision latitude lowers worker stress, but for whom? Results from the 2008-2015 National Longitudinal Study of Adolescent to Adult Health.” Paper presented at the annual meeting of the Eastern Sociological Society, Boston MA (March 2019).

Lippert, Adam M. and Barrett A. Lee. “Parental Vulnerabilities, Family Processes, and Household Food Insecurity Severity among Homeless and Precariously-Housed Families.” Poster presented at the annual meeting of the Population Association of America, Austin TX (April 2019).

Lippert, Adam M. “Racial/Ethnic Inequalities in E-Cigarette Advertising Exposure and Implications for Adolescent E-cigarette Use, Intentions, and Beliefs.” Paper presented at the annual meeting of the American Sociological Association, Philadelphia, PA (August 2018).

Lee, Barrett A. and **Adam M. Lippert**. “Parental Management and Food Insecurity among Homeless Children and Their Families.” Paper presented at the annual meeting of the Population Association of America, Denver CO (April 2018).

Bostean, Georgiana, Luis Sanchez, and **Adam M. Lippert**. “Sociodemographic Disparities in E-cigarette Retail Environment: Vape Stores and Census Tract Characteristics in Orange County, CA.” Poster presented at the annual meeting of the Population Association of America, Denver CO (April 2018).

Lippert, Adam M. and Sarah Damaske. “How work-family circumstances are associated with self-reported stress and immunity dysfunction among young adult women: Results from the U.S. 1995-2008 National Study of Adolescent to Adult Health.” Paper presented at the 7th International Community, Work, and Family Conference, Milan, IT (May 2017).

Lippert, Adam M. “Growing up and wearing down: How combinations of work and family circumstances are associated with stress-related health impairments among young adult women.” Invited presentation given at University of Utah Population Health Working Group (February 2017).

Lippert, Adam M. and Sarah Damaske. “Work, family, and stress: Implications for young adult women’s immunity and inflammation.” Paper presented at the annual meeting of the Interdisciplinary Association for Population Health Science, University Park, PA (September 2016).

Adam M. Lippert. “A multilevel analysis of school-level influences on adolescent e-cigarette beliefs, intentions, and use behaviors, 2011-2014.” Paper presented at the annual meeting of the American Sociological Association, Seattle WA (August 2016).

Lippert, Adam M. and Sarah Damaske. “Growing up and wearing down: How early-life disadvantage and work-life circumstances are associated with stress-related immunity dysfunction among young adult women.” Paper presented at the International Conference on Social Stress Research, San Diego, CA (June 2016).

Lippert, Adam M. and Sarah Damaske. “How work and family transitions are associated with stress-related immunity dysfunction among young adult women.” Paper presented at the annual meeting of the Population Association of America, Washington DC (April 2016).

Lippert, Adam M., and Sarah Jordan^{GS}. “Applying latent cluster methods to understand complex associations between work, family life, and immunity dysfunction among young adult women in the US.” Paper presented at the Society for Research on Human Development, Denver CO (March 2016).

Gough, Margaret and **Adam M. Lippert.** “Assessing the role of health-related behaviors in explaining the relationship between poverty and obesity among mothers.” Paper presented at the annual meeting of the American Sociological Association, Chicago (August 2015).

Gough, Margaret and **Adam M. Lippert.** “Assessing the role of health-related behaviors in explaining the relationship between poverty and obesity among mothers.” Poster presented at the annual meeting of the Population Association of America, San Diego (May 2015).

Lippert, Adam M. “Obesity during the transition to adulthood: Exploring how neighborhood poverty entries, exits, and traps matter.” Paper presented at the annual meeting of the American Sociological Association, San Francisco (August 2014).

Lippert, Adam M. “Reconceptualizing ‘place’: Applying latent class analysis to develop a typology of healthy and unhealthy communities.” Presentation given at the annual meeting of the Robert Wood Johnson Foundation Health & Society Scholars, Detroit (May 2014).

Lippert, Adam M. “Ready for launch, but to where? An examination of locational attainment during the transition to Adulthood.” Paper presented at the annual meeting of the Population Association of America, Boston (May 2014).

Lippert, Adam M. “Life course transitions and locational attainment during the transition to adulthood.” Presentation to the Harvard Center for Population and Development Studies Lunch & Learn Series, Cambridge MA (April 2014).

Riina, Elizabeth, **Adam M. Lippert**, Anne Martin, and Jeanne Brooks-Gunn. “Parent-adolescent relationships in urban neighborhoods: The roles of interpersonal support and residential stability.” Paper presented at the meeting of the Society for Research on Adolescence, Austin (March 2014).

Martin, Molly A. and **Adam M. Lippert.** “Parents’ work hours, presence in the home, adolescent weight-related behaviors and weight.” Paper presented at the annual meeting of the Population Association of America, New Orleans (April 2013).

Lippert, Adam M. and Barrett A. Lee. “Stress, coping, and mental health differences among homeless people.” Paper presented at the annual meeting of the American Sociological Association, Denver (August 2012).

Lippert, Adam M. “System failure: The spatial distribution of Black-White disparities in septic mortality and its small-area correlates.” Poster presented at Population Association of America Annual Meeting, San Francisco (May 2012; won PAA Poster Presentation Award).

Lippert, Adam M. “Ready for launch, but to where? Locational attainment during the transition to adulthood.” Invited presentation to the Penn State Changing American Neighborhoods and Communities working group (April 2012).

Frisco, Michelle, Margaret Weden, **Adam M. Lippert**, and Kristin Burnett. “The shifting burden of body weight for women’s childbearing experiences.” Poster presented at Population Association of America Annual Meeting, Washington DC (April 2011).

Lippert, Adam M. and Barrett A. Lee. “Health among the homeless: A re-examination.” Poster presented at Population Association of America Annual Meeting, Dallas (April 2010).

Lippert, Adam M. and Jason N. Houle. “Neighborhood disadvantage and drug use: A multilevel approach to detecting contextual effects on substance use.” At American Sociological Association Annual Meeting, San Francisco (August 2009).

Lippert, Adam M. “Prevalence of risk-drinking in an aging population: An age-decomposition of binge drinking in the United States, 1991-2006.” At the 9th Annual Guze Symposium on Alcoholism, St. Louis (February 2009).

Lippert, Adam M., Lisa Berger, and Michael Fendrich. “Explaining differences between hazardous and dependent drinkers: Results from the Greater Milwaukee Survey.” At the 7th Annual Guze Symposium on Alcoholism, St Louis (February 2007).

COURSES TAUGHT (undergraduate, unless noted)

Population Analysis (University of Colorado Denver – grad/undergrad combined)

Health Disparities (University of Colorado Denver – grad/undergrad combined)

Professional Seminar (University of Colorado Denver – graduate)

Medical Sociology (University of Colorado Denver)

Senior Capstone: Work-Life Policies and Practices (University of Colorado Denver)

Intermediate Statistics – lab (Pennsylvania State University)

Population Studies and Policy Issues (Pennsylvania State University)

SERVICE

Editorial Work

- Editorial Review Board
 - *Journal of Youth and Adolescence* (2018 – present)
 - *Journal of Health and Social Behavior* (2019 – 2022)
 - *Advances in Medical Sociology* (2018 – 2020)
- Ad hoc reviewer for numerous journals, including: *Journal of Health & Social Behavior*, *Social Problems*, *Demography*, *Social Science & Medicine*, *Social Science Research*, *American Journal of Public Health*, *Population Research & Policy Review*, *Health & Place*, *Pediatrics*, *Sociological Inquiry*, *American Journal of Epidemiology*, *Psychology Quarterly*, *American Journal of Health Promotion*, PLoS ONE, *Preventing Chronic Disease*, *American Journal of Preventive Medicine*, *Health Education & Behavior*, *Public Health Reports*, *BMJ Open*, *Tobacco Induced Disease*, *Sociological Perspectives*, *Journal of Youth and Adolescence*, *Journal of Public Health*, *Family and Community Health*, *Academic Pediatrics*, *Substance Use & Misuse*, *Nicotine & Tobacco Research*, *Sociological Methodology*

University Service

- Graduate Director – Department of Sociology, University of Colorado Denver (2019 -)
- Coordinator - Certificate in Sociology of Health & Medicine (2016 -)

- CLAS Dean’s Advisory Committee for Non-Tenure Track Personnel Decisions (2019 - 2020)
- CLAS Teaching Award Committee (2021)
- Colorado Population Center Executive Committee member (2018 - 2020)
- Undergraduate Assessment Committee (Chair, 2017 - 2019)
- Research and Creative Activities Symposium Planning Committee (2018 -)
- Undergraduate Research Opportunity Program Proposal Referee (2017 -)
- Graduate Admissions Committee (2017, 2019 -)
- Department of Sociology Executive Committee (2016, 2020)

Advising

- Master’s thesis committees
 - José Puente Puente (chair)
 - Lisa Hollister (chair, defended 4/12/2023)
 - Courtney Thornton (committee member, defended 4/11/2023)
 - Angelina Vongsaraphan (chair, defended 4/10/2023)
 - Asima Salihi (committee member, defended 4/10/2023)
 - Valentina Serrano Solomon (committee member, defended 4/8/2023)
 - Amy Kotches (committee member, defended, 4/8/2023)
 - Don Mather (chair, defended 4/6/2022)
 - Desiree Salais (chair, defended 4/20/2022)
 - Beza Taddess (chair, defended 04/15/2021)
 - Clayton Buck (chair, defended 04/15/2020)
 - Danielle Maestas (chair, defended 11/21/2019)
 - Evyn Taylor (chair, defended 11/21/2019)
 - Trishia Vasquez (member, defended 04/12/2019)
 - Grace Venechuk (chair, defended 10/24/2018)
 - Alyssa Menard (chair, defended 04/15/2017)
- Doctoral
 - Bethany Ricles, CU Boulder Sociology (qualifying exams committee member, defended 4/15/18)
 - Joshua Goode, CU Boulder Sociology (dissertation committee member, defended 5/27/22)
- Undergraduate honors theses
 - Alex Romero, Sociology and Biology (defended 04/2017)

SERVICE TO THE PROFESSION

Interdisciplinary Association for Population Health Science

- Mentoring program participant | Mentee: Dr. Jelena Todic, Assistant Professor of Social Work, University of Texas-San Antonio (2022-2023)

American Sociological Association

- Nominations Committee member - Section on Medical Sociology, American Sociological Association (2017 - 2018)

SERVICE TO THE COMMUNITY

Research consultant to the Rocky Mountain Partnership (RMP), Thornton CO (2022 – present)

- Responsibilities include: advising on data management practices and novel data sourcing; analytic techniques and automation; code development to streamline production of research reports; conducted analysis for two original reports (1) analyzing opioid-related deaths and (2) mapping of educational attainment – both in RMP’s catchment area

GRANT WORK

2023 “Development of a Multidimensional Measure of the Neighbourhood Health Environment and Implications for Birth Outcomes Across Canada’s Urban Communities.” Co-PI, in development for Canadian Institutes of Health Research – Healthy Cities Research Initiative (**CAD\$100,000**).

- 2022 “Development of a Multi-Dimensional Measure of Neighborhood Socioeconomic Composition and Implications for Population Health Disparities.” PI, awarded by the University of Colorado Population Center. 6/2022 – 2/2023 (\$11,000).
- 2021 “Development of a place-based approach for assessing youth nicotine risks.” Co-PI (with Daniel Corsi, University of Ottawa), awarded by the Canadian Institutes of Health Research. 05/2021 – 04/2023 (CAD\$100,000).
- 2020 “Multigenerational Family Solidarity and Parent-Child Health after the Great Recession.” CUPC Grant Development Cohort Award (\$4,000).
- 2019 Faculty development grant for the preparation of a study abroad program in Spain. CU Denver Office of Global Education. PI (\$2,135).
- “A spatial analysis of black-white disparities in septic mortality.” CU Denver College of Liberal Arts Dissemination Grant. PI (\$1,500).
- Young Upwardly Mobile Scholars Grant. CU Denver Center for Faculty Development (\$500)
- 2018 “Intensive training in GIS and spatial analysis using RStudio.” CU Denver CLAS Research Innovation Seed Programs (CRISP). PI (\$3,970).
- “Parents’ work hours, availability and adolescents’ weight-related behaviors.” CU Denver College of Liberal Arts Dissemination Grant. PI (\$625).
- 2017 “Food Insecurity among Urban Homeless and Precariously Housed Children and Families.” Co-I (Barrett A. Lee, PI), awarded by the NICHD, #R03HD087625. 05/2017-10/2019 (\$170,000).
- CU Online New Course Development Grant (\$2,000).
- Young Upwardly Mobile Scholars Grant. CU Denver Center for Faculty Development (\$500)
- 2016 “Work-family stress and immunity dysfunction among young adult women.” CU Denver Office for Research Services Small Grant Program. PI (\$3,600).
- “Early-life disadvantage, work-life circumstances, and stress-related immunity dysfunction among young adult women.” CU Denver College of Liberal Arts Dissemination Grant. PI (\$1,000).
- CU Denver Office of Research Services award to attend the NIH Regional Training Seminar, Baltimore, MD (\$1,200).
- 2015 “HIP-Centric Program Development Grant,” awarded to faculty team in Department of Sociology (Teresa M. Cooney, leader) from Center for Faculty Development, University of Colorado Denver. (\$15,000)
- “Utilizing Biomarkers to Assess the Health of Young Adult Women with Complex Work-Family Roles.” Robert Wood Johnson Foundation. PI (\$5,200).
- 2014 “The Development of a Place-Based Model of Community Effects on Health.” Robert Wood Johnson Foundation. PI (\$22,400).

CERTIFICATES

- 2014 Certificate in GIS and Spatial Analysis, awarded by the Harvard Center for Geographic Analysis
- 2019 Certificates in Spatial Demography and GIS – a two-week intensive R-based training course, led and awarded by the Centre d'Estudis Demogràfics, Universitat Autònoma de Barcelona
