RESEARCH EXPERIENCE

Research Assistant for Faculty Teaching and Excellence Program, CU Boulder 2012-13
Designed and implemented data collection and analysis for program evaluation.

January 2018

Research Assistant for the BluePrints Project, CU Boulder 2011-12
Summarized and critiqued methodologies used to evaluate social programs for youth.

Research Assistant for Dr. Jason Boardman, CU Boulder 2009-10
Coded data, analyzed data, and wrote papers using data from the National Longitudinal Study of Adolescent Health. Research topics included social stress, unhealthy behaviors, health disparities, and gene-environment interaction.

Research Analyst for Westat Inc., Rockville, MD. 1991-2000
Worked as part of a research team doing quantitative and qualitative analysis for the evaluations of federal programs, including evaluations of the Work Opportunity Tax Credit, the Welfare to Work program, and the postsecondary education TRIO programs.

GRANTS, FELLOWSHIPS, AWARDS

Center for Faculty Development Teaching Enhancement Grant (\$2700), CU Denver 2017
These funds supported the development of an on-line Introduction to Sociology course that incorporates podcasts into active-learning assignments.

GPTI Instructor of the Year, Department of Sociology, CU Boulder 2012

Summer Research Grant, Department of Sociology, CU Boulder 2012
These funds supported the implementation of instructional videos for statistics

General Research Grant, Department of Sociology, CU Boulder 2012
These funds supported the purchase of hardware and software necessary to produce instructional statistics videos.

ASSETT Development Award, CU Boulder 2011
This summer grant was used to develop and implement active learning in a Survey Methods course using clickers, SPSS, and Survey Monkey.

Department Nominee & Finalist, University-Wide Graduate Teacher Award, 2011
CU Denver. Sociology Department's nominee for the University-wide graduate teacher award competition. One of three finalists across all departments in the university.
